Show Secretary :

Miss Susan Bicket, Dumfries & Lockerbie Agricultural Society,
15 Fruid's Park Avenue, Annan, Dumfriesshire DG12 6AY

Judge :

Mr Richard Wood, 2 Dunsley Gardens, Dinnington, Newcastle on Tyne, NE13 7LL

Chief Steward :

Mr Peter Wray, Thornhill, Dumfriesshire

Milk Steward :

Mr Ewan McIntyre, Moniaive, Dumfriesshire

Caprine Arthritis Encephalitis. C.A.E.

Separate penning will be organized under the direction of the show secretary to accommodate goats in categories of :

“W” - Goats from herds in which ALL goats over 12 months of age have been blood-tested negative to C.A.E. within 12 months of the show date.

“B” - Goats from herds with current B.G.S. CAE-monitored herd status.

C.A.E. testing certificates, must be enclosed with entry. Certificates must include the registered name and ear number of each and every goat over 12 months of age and be dated within 12 months of the show date. In the case of kid entries whose dams do not appear on the herd certificate, additional certificates for the dams will be necessary.

Exhibitors' attention is drawn to the following instructions regarding C.A.E.: “Exhibitors are advised that milk produced at shows and has gone through the common weigh bucket should not be fed to goats of any age as this appears to have been a factor in the spread of C.A.E. in the past.”

“Exhibitors are requested not to bring to the showground any goat that has ever had a positive reaction on a C.A.E. test.”

Scrapie.

All goats admitted to the showground must:

be non-pregnant, and

not have kidded or aborted within 30 days prior to the day of the Show, and

not be or have been subjected to procedure/s which change the seasonal breeding pattern.

A declaration form concerning Scrapie will be sent to all Exhibitors before the Show. Completed declarations must be given to the Stewards on Show day.

Please note that if kiddings or abortions occur in animals originating from premises not registered under the Scrapie Monitoring Scheme or Category IV of the Sheep and Goat Health Scheme, the scrapie free status of all animals at the unsegregated show and of their premises of origin (if those animals return) may be jeopardised. To try to limit the effect of such kiddings or abortions, the Show Secretary should report them immediately to the local DVM to allow a visit to the showground by an Animal Health/ Veterinary Officer who can then conduct an inquiry and more easily identify those animals put at risk.

In the event of an unforeseen kidding or abortion, the goat must be immediately isolated from other goats. (Full details of the goat, exhibitor and action taken must be reported in writing by the Chief Steward, to the B.G.S. secretary, immediately after the show.)

The Goat Classes are held under the Rules, Regulation and Recognition of the British Goat Society. All exhibits must be registered with the British Goat Society as in the ownership and in the name of the exhibitor, the registered name and number and ear mark number being quoted on the entry form. (Also the kidding date for goats in milk). All goats in milk must be kidded or aborted at least 30 days previous to the date of the Show.

The registered number of any goat, initially entered as R.A.F. (registration applied for) must be submitted to the Show organisers before the goat competes.

Kids must be at least two calendar months old by the Show date. Spot checking of ear numbers will be carried out.

BGS Regulations 19 and 20 will be observed. Milking will take place in a separate area, not in the penning area. No containers other than officially marked milk containers will be allowed in the milking area. Milking will not commence until the judge has completed ALL udder inspections. Exhibitors who have a large entry of milkers are requested to ensure that they have assistance, so that there is no undue delay in completing milking.

ALL ENTRIES OF MILKING STOCK whether or not they are entered in the milking competition, must be present for stripping out on 5th August and must have their milk weighed on the morning of 6th August, after udder inspection.
